Just Look at How Much Fun our Final Family Fun Night Was!

Crayola ColorCycle

Our 3rd grade class is teaming up with Crayola and other schools across North America to help kids understand the importance of their role in protecting the environment through Crayola ColorCycle. Students in K-12 schools across the continental United States and parts of Canada will be collecting and repurposing used markers of *any kind*, because Crayola will accept all brands of plastic markers, including dry erase markers and highlighters! ColorCycle will eliminate placing hundreds of tons of markers into landfills. If you have any markers you would like to recycle just send them on in to our 3rd grade!

This Week's Lion Pride is 1st Grade!
